

FEELIN' GOOD

My heart's palpitatin' just thinking 'bout you
Been feelin' so gosh darn good all over
Don't know what to do

Paulette she's a princess so pugnaciously cute
First she'll tell just how much that she loves you
Then she'll give you the boot

Chorus:

Now I've been thinking
About New Orleans on the Fourth of July
Roman Candles torch the sky (Firecrackers light the sky)
Ratt A Tatt Tatt A Ratt A Tatt Tatt
Ratt A Tatt Tatt Tatt Tatt

Just ask me a question and I'll sing you this song
It's about the last time I heard Satchmo
Blowin' riffs on his horn

Hot Jazz in the summertime Dixie Land in the spring
The best thing about that sweet old Ragtime music
Is about everything

(Chorus)

My heart's palpitating just thinking 'bout you
Been feelin' so gosh darn good all over
Don't know what to do

I've been feelin' so gosh darn good all over
So gosh darn good all over So gosh darn good all over
Don't know what to do
